

Chiba Medical Journal: Publishing Fee Information

1. Page charge

In principle, as stated in “8. Publishing costs” in Instructions for Authors, **the author bears the costs** related to any submitted manuscript. The unit price for one printed page in the publishing fee is as shown below. On demand, an approximation will be calculated and suggested, when author proofreading is performed.

Page charge (as of April 2020)

	Price including tax (yen)
Unit price for one printed page	14,135

2. Reprint price

The same fees are charged for 1 to 50 copies. For each additional 50 copies, 500 yen will be charged.

Reprint price list (up to 50 copies) (as of April 2020)

Number of printed pages	Price including tax (yen)
1 - 2 pages (no cover page)	1,000
3 - 4 pages (with a cover page)	6,200
For each additional unit of 1 - 2 pages	+600

Example:

7 printed pages and 200 reprint copies (yen)

Page charge: $14,135 \times 7 = 98,945$

Reprint price: $6,200 + 600 \times 2 + 500 \times 3 = 8,900$

Total fee: $98,945 + 8,900 = 107,845$
